of Southeastern Pennsylvania

Smart Energy Initiative 7th Annual Energy Briefing

Wednesday, February 13*

8:00 AM – 11:00 AM

Chester County Economic
Development Council
737 Constitution Drive
Exton, PA 19341

Tickets: \$35

Pre-registration required

**SNOW DATE - In the event of inclement weather, this event will be held on February 20, 2019, and all tickets purchased for the February 13th date will be honored at that time.*

Leaders in the energy field will briefly review fascinating 2018 energy trends, news and events to present an overview of the 2019 energy forecast. This briefing will cover state and national data in the framework of the mid-Atlantic region, including recent energy finance legislation, PA solar energy plan, nuclear energy news, natural gas and alternative fuels. Learn what this means for Southeastern Pennsylvania and how the changes in the energy economy and energy policy may affect businesses.

Who should attend:

Business owners (small and large) and anyone who purchases energy for their company such as Energy Consultants, Architects, Engineers & Developers.

Schedule:

8:00am - 8:30am	Registration & Continental Breakfast
8:30am - 10:30am	Presentation
10:30am - 11:00am	Networking

Presenters:

- Christopher Wiederspahn, Vice President, Business Development at Amerex Energy Services
- Emily Schapira, Executive Director of Philadelphia Energy Authority
- Ed Fortunato, Managing Director of Fundamental Analysis at Constellation Energy, an Exelon Company

Smart Energy Initiative
of Southeastern Pennsylvania

A Chester County Economic Development Council initiative

ABOUT SEI:

The Smart Energy Initiative of Southeastern Pennsylvania's (SEI) mission is to promote the growth of the "smart" energy industry by providing comprehensive workforce and economic development services to partnering companies.

SEI is an initiative of the Chester County Economic Development Council and is funded in part by the private sector with grant funding received from the Pennsylvania Department of Labor and Industry through the Chester County Workforce Investment Board.
